Stephanie Prosenjak

Artistic Director

Stephanie has dedicated her life to the Denver dance community. She is unique in her ability to teach all ages, levels, and styles of dance at her home studio, Cherry Creek Dance. In addition to teaching, Stephanie continues to perform and to choreograph for individuals and groups, including *7dancers*, the non-profit professional dance group she had the vision to initiate in 2006. Stephanie was a Denver Nuggets Dancer; a Denver Broncos Cheerleader, serving as captain and pro bowl representative, performing across the world; has danced in musical theatre, appeared in music videos, and has performed at numerous corporate events and charity functions. She also works on the state and national level, serving as a judge for the 2008 Miss Colorado Pageant, working as a catalogue consultant for *Kellé*, training candidates for professional and college dance teams, and serving as a sponsor for the Denver Outlaws Lacrosse Dance Team. She serves as a judge for the Colorado State High School Cheerleading Championships and has trained numerous high school dance teams.

In addition to excelling as a dancer, choreographer, and dance instructor, Stephanie is a successful businesswoman. Stephanie and her success with Cherry Creek Dance have been featured in industry publications including *Dance* and *Dance Teacher* magazines, as well as *BusinessWeek*, the *Denver Post*, and the *Rocky Mountain News*. She was a finalist for the *Denver Business Journal's* "Outstanding Women In Business" in 2007 & 2008. Stephanie has also been honored with the *Denver Business Journal's* exclusive "Forty Under 40" awarded to exceptional business people, & received a "Lifetime Achievement Award for Excellence in the Arts" from the City of Arvada. She has completed the Impact Denver Program through the Denver Metro Chamber of Commerce & the Leadership Arts Program through the Colorado Business Committee for the Arts. Stephanie continues to promote the inclusion of the performing arts in the K-12 curriculum by establishing partnerships with public and private schools where members of *7dancers* serve as artists in residence. In order to maintain their status as "The Elite Studio," instructors at Cherry Creek Dance receive on-going education and internships with Stephanie to enhance their teaching skills.
